RISK FACTORS:

Given below are the risks related to the transaction, the Offer and the probable risk involved in associating with the Acquirer:

Relating to the Offer:

- a. This Offer is subject to receipt of the approval from the Reserve Bank of India ('RBI') pursuant to the provisions of the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident Outside India) Regulations, 2000, as amended and the Consolidated FDI Policy dated April 17, 2014, for acquiring equity shares, if any, from Non-Resident Indian shareholders of the Target Company pursuant to this Offer.
- b. In the event that either: (a) regulatory or statutory approvals are not received in time; (b) there is any order of a governmental authority or litigation leading to a stay/injunction on the Offer or that restricts/restrains the Acquirer from performing the obligations hereunder; or (c) SEBI instructing the Acquirer not to proceed with the Offer, then the Offer process may be delayed beyond the schedule of activities indicated in this Letter of Offer. Consequently, the payment of consideration to the shareholders, whose equity shares have been accepted, and the return of shares, whose shares have not been accepted, may be delayed. In case the delay, due to non-receipt of statutory approval(s), as per Regulation 22(12) of the SEBI (SAST) Regulations, 1997, SEBI may, if satisfied that non-receipt of approvals was not due to any wilful default or negligence on the part of the Acquirer, grant an extension for the purpose of completion of the Offer subject to the Acquirer agreeing to pay interest to the Shareholders as may be specified by SEBI.
- c. Shareholders should note that after the last date for withdrawal, the Shareholders who tender the equity shares in the Offer would not be entitled to withdraw such acceptances, even if the acceptance of the equity shares in this Offer and dispatch of consideration are delayed.
- d. The equity shares tendered in the Offer in demat form will lie to the credit of Escrow Demat Account and the equity shares tendered in physical form would be held in trust by the Registrar to the Offer,

till the completion of the Offer formalities. During such period, there may be fluctuations in the market price of the equity shares and the shareholders will not be able to trade in such equity shares tendered in the Offer, thereby restricting the ability of such Shareholders to take advantage of any favourable price movements. It is understood that the shareholders will be solely responsible for their decisions regarding their participation in this Offer.

- e. In case of over-subscription in the Offer, as per the SEBI (SAST) Regulations, 1997, acceptance would be determined on proportionate basis and hence there is no certainty that all the equity shares tendered by the shareholders in the Offer will be accepted.
- f. Upon completion of the Offer, assuming full acceptances in the Offer, the public shareholding of the Target Company will fall below minimum level of public shareholding as required to be maintained as per Securities Contract (Regulation) Rules, 1957 as amended and the Listing Agreement. While the Target Company is required to decrease the non-public shareholding to the level specified and within the time stipulated under the Securities Contract (Regulation) Rules, 1957, as amended ('SCRR'), as per the SEBI (SAST) Regulations, 1997 and/or the Listing Agreement, any failure to comply with the conditions with aforesaid regulations could have an adverse effect on the price and tradability of the equity shares of the Target Company.

Relating to the Acquirer:

- a. The Acquirer and the Manager to the Offer accept no responsibility for statements made otherwise than in the Letter of Offer (LOO)/Public Announcement (PA) and anyone placing reliance on any other sources of information (not released by the Acquirer) would be doing so at his / her / its own risk.
- b. The Acquirer makes no assurance with respect to the financial performance of the Target Company or with respect to her investment/divestment decisions relating to the proposed shareholding in the Target Company.
- c. The Acquirer make no assurance with respect to the market price of the equity shares of the Target Company before, during or after the Offer and expressly disclaims any responsibility or obligation of any kind (except as required by applicable law) with respect to any decision by any Shareholder on whether to participate or not to participate in the Offer.

The risk factors set forth above pertain to the Offer and are not in relation to the present or future business or operations of the Target Company or any other matters and are neither exhaustive nor intended to constitute a complete or comprehensive analysis of the risks involved in or associated with the participation or otherwise by any Shareholder in the Offer, but are only indicative.
